Whom do I admire? I admire my mom..... She is a lovely woman, and she is an outstanding role model. I don't know what I would do without her in my life. She tells me all the time don't give up on yourself, you just need to try harder.

She is also very supportive in volleyball; she is always telling me what I could fix and how. She is so smart and such a good artist. We used to draw together, and she would show me different things such as the way the pencils hit the paper when your hand starts to move. It just ends up so beautiful. The colors she uses make her paper so elegant. I just love my mom!! I hope one day to become just like her.....
