

Create a new holiday

If I could create a new holiday it would be called USA Giving Day. USA Giving Day would be celebrated on the day before Thanksgiving. What we do on USA Giving Day would be everyone in America, old or young would trade with someone a present. It could be money, it could be books, it could be food, it could be anything you want it to be. The reason this holiday would be made is because say, if someone never got something to eat or ever received a gift this would be the day to do it. It's a perfect day to do it because it's the day before Thanksgiving and you can be thankful for your gift.

I like the name—it has a good ring to it.

This would be the perfect new holiday!

Baillie Hughes, 5th, Jonesville Middle, Mrs. Austin

If I could create a holiday it would be Unicorn Day. On Unicorn Day you would celebrate unicorns. You would celebrate them by throwing a party, buying unicorn-shaped balloons, and making a unicorn-shaped cake! The balloons that aren't shaped like a unicorn are pink because I love pink.

There are a few more colors and those are purple, blue, and red. There will also be stars hanging from the roof and a unicorn-shaped piñata!

I chose unicorns because I love them.

McKenna Bentley, 2nd, Hilton Elementary, Mrs. Edwards

My holiday would be on March 31st. It would be like Memorial Day. It celebrates your lost love ones and kind of remembers how they were and how we loved them. It would be called Remembering Day.

Joseph Honeycutt, 6th, Jonesville Middle, Mrs. Jones

If I were to create a new holiday it would be Teachers Day. The reason is because I want to celebrate teachers. I would like it to be on August 6th because that is around the first day of school. I would like for people to throw a party for their teacher. Teachers would like the name of this holiday. I would like to honor teachers that help us learn.

That is my holiday!

Zachary Morelock, 2nd, Rock Springs Elementary, Mrs. Charlton

Happy Halloween! Happy Thanksgiving! Merry Christmas! Happy New Year! Happy Valentine's Day! So, so, so, soooo many holidays. So many different ways and things to celebrate all in one day. I love all the holidays. The cheer! The creepy! The love! The count down and so much more! If I could make a

holiday, I'd make a whole holiday just about nature. I'm not talking about Earth Day nature. I'm talking about just being in nature and noticing what most never do because of video games, school work, and all that mumbo jumbo. This holiday would be on the summer solstice of each year. Either you or you AND your family would spend the whole day outside and then camp that night. That is the one holiday that we lack - a day to put away technology, school work, and other work just to be in the great outdoors! Just one day a year where it's you and nature.

Emily Seals, 8th, Surgoinsville Middle, Mrs. Hensley

If I were to create a holiday it would be called Pet Day. The reason I would want to create this holiday is so we can let our pets notice that we care and love for them. Another reason why I would create this holiday is so we can bring our pets to school. If you're a grown-up then you could bring your pets to work. You could bring your pets everywhere.

That's the holiday I would create, if I could.

Jaycee Parks, 5th, Jonesville Middle, Mrs. Austin

If I could create a new holiday, it would be "Ivy Holiday." Ivy is a girl in Pre-K. I love her!

Danielle Brown, 2nd, Nickelsville Elementary, Mrs. Gilmer

If I invented a holiday it would be Friend Day. On Friend Day you celebrate with all of your friends. It would be a very fun holiday. Some people don't get much time with friends, which is why I would make this holiday. Friend Day would be a very fun day.

Would you enjoy it?

Gili Moratalla, 4th, Miller Perry Elementary, Ms. Jeffers

If I created a holiday it would be called Pizza Day, and it would be on July 25. The reason why I would choose this is because I love pizza! On this day you will see people dressed like pizza and there will be pizza decorations everywhere! People all over the world have pizza on that day! If someone's birthday is on this day the presents would be wrapped in wrapping paper that looks like pizza. If I made a holiday this is just what I would do.

Aria Peters, 2nd, Rock Springs Elementary, Mrs. Charlton

If I could create a new holiday it would be Take a Break Day because I feel that everybody could use a break every once in a while. Kids at school and adults at work would all enjoy having a day to rest and relax. I think that this would be a good holiday to have.

Justin Corbin, 7th, Jonesville Middle, Mrs. Brooks

If I could create a new holiday, it would be "Super Kid Day." I love being a kid.

Meadow McConnell, 2nd, Nickelsville Elementary, Mrs. Gilmer

I would do a Family Day! You would not go to school and your mom and dad or whoever would also not go to work or anything for a week. You and your

family enjoy movies and food. It is so much fun! It really needs to be a holiday.

Charlotte Penix, 4th, Miller Perry Elementary, Ms. Jeffers

Today is National Cat Lovers Day! We adopt cats from the shelter and give them a new home. The cats would be free because they need homes.

Emma Hobbs, 6th, Jonesville Middle, Mrs. Jones

My holiday would be Friends Day. This day would only be about you and the people you love. It will bring peace between families and loved ones. The decorations would be a lot of pictures that show how much you care for someone. Everyone would get together on this special day to eat and hangout. Friends Day would bring families closer than they have ever been before.

Jenna Lawson, 8th, Surgoinsville Middle, Mrs. Hensley

If I could create a new holiday it will be called National Color Day because I love to color. Most other people enjoy coloring, so that's why I thought I could make up a holiday about it.

I love to be creative and I love holidays.

Kaydence Thompson, 2nd, Rock Springs Elementary, Mrs. Charlton

If I could create a new holiday, it would be National Mashed Potato day because mashed potatoes are my absolute favorite food in the whole entire world. Every day after school I go home and ask my nanny if we are having mashed potatoes because they are so yummy. I would love to have a National Mashed Potato Day.

Chelsea Ayers, 7th, Jonesville Middle, Mrs. Brooks

If I could create a new holiday, it would be "Hunting Day." On this day, people would hunt all day long.

Parker Robertson, 2nd, Nickelsville Elementary, Mrs. Gilmer

If I could create any holiday it would be Family Day.

I chose to do this holiday because I think people spend too much time on electronics and not enough time with their family. Family Day would be on December 23rd because there are a lot of fun things you can do with your family in the winter, whether it is playing in the snow or inside drinking hot chocolate.

I think people would really enjoy this holiday.

Taylor Shupe, 5th, Jonesville Middle, Mrs. Austin

If I make a holiday, it would be Friendship Day. On Friendship Day, you would hold hands with your friend and sing a song. You would eat cake with your friend and drink water. You would give your friend a gift and your friend would give you a gift.

That would be a fun holiday.

Reese Stallard, 2nd, Hilton Elementary, Mrs. Edwards

If I could create a new holiday, it would be Help the Homeless Day because I would love a day where everyone would help them and give them some food, water, and maybe even some money. I think they could use some help even if it's just for a day.

Emily Nuxoll, 7th, Jonesville Middle, Mrs. Brooks

If I could create a new holiday it would be Hug and Feast Day. I love hugs and I love to help cook my feast. Cocoa, marshmallows, and hugs.

Now this is the holiday I would create.

Annie Walker, 4th, Miller Perry Elementary, Ms. Jeffers

If I could create a new holiday, it would be "Elf Day."

On this day, everybody will turn into an elf.

Rylan Edwards, 2nd, Nickelsville Elementary, Mrs. Gilmer
