

# Write about a friend. What do you like most about this friend?

My friend Jack is the best friend you could have. I have been friends with Jack since kindergarten—almost nine years! Jack is always kind and has a great attitude when we talk. Our favorite things to talk about at lunch are books and movies. We always have fun when we play games like Crazy Eights or Monopoly. But the thing that puts Jack above the rest is how trustworthy he is. Sometimes he acts silly and has a little too much fun, but I know he will always have my back in sticky situations. I am extremely grateful to have a friend like Jack.

The thing I like most about Trevor is that he is kind. Trevor is caring, helpful, and nice. He gave me candy when I was severely hurt. He invited me to his birthday party. This is what like about him.

**Joseph Solomon, 2nd, Hilton Elementary, Mrs. Edwards**

When you think about a friend, what do you think of? Perhaps you think of caring, trustworthy, funny or honest. My best friend is all of the above and even more. He's talented, smart, hilarious, and always knows what to say to me when I'm not in the best of my moods.

Whenever we go out to places (the mall, Walmart, Just Jump) we leave in happy spirits and a closer bond. What I like most about him is how accepting and caring he really is. Honestly, you cannot be upset around him. This person, my best friend for hopefully life, is William Smith.

**Gretchen Lewis, 8th, Surgoinsville Middle, Mrs. Hensley**

My best friend is Pazlee. She is kind, sweet, smart, loving, funny, loyal, respectful, responsible, and athletic. She loves and I mean loves piglets. We are on a cheer team at our school. Do you have a best friend?

**Julia Reeves, 4th, Miller Perry Elementary, Ms. Jeffers**

The trait that I like most about my friend Trevor is that he can pop wheelies on bikes when we ride.

We have a lot of fun together.

**Elijah Ritchie, 7th, Jonesville Middle, Mrs. Brooks**

My best friend is Henry! The reason he's my best friend is because he's super-kind. I am super-happy all the time because he's so

nice. We almost always sit together at lunch. He always makes sure I'm okay if I look sad. I love playing with him. Henry is my best friend.

**Natalie Hoilman, 2nd, Rock Springs Elementary, Mrs. Charlton**

What do you like most about your friend? I like Tawni's laugh. She is very funny and she loves to spend time with all her friends. She is a really good friend to me. I have her back. She will always be a good and honest friend to all of us but I know that her friends will always be there for her, too. We will never leave her side, even if it was the end of the world. Tawni is the best friend to me and she will always have her friend's back.

My friend that means so much to me is my buddy, Jacob. I have other friends, but he and I go places like the beach. I like my buddy because he is funny and not only that, he is very smart. He and I have each other's backs, and we always will no matter if we get split up in high school or not. Jacob and I go farther than what meets the eye, and our friendship will never die.

My friend Matthew is the best friend I have ever had. The reason that I say that is because Matthew and I have been friends throughout our whole lives. His parents are cool to me too. Every time I spend the night with him we always have a talk with his parents. We always have fun together and that is why Quinton is my best friend.

One more reason why he is my friend is because he can cheer me up whenever I am sad.

Lara is my best friend and like family. She is funny and nice. She is my friend because we both like drawing, painting, and swinging on the swing. We basically have the same things in common. She is nine and I'm nine. We both like Gacha Studio and Mamma Mia 1 and 2.

My best friend is Timothy because he plays with me.

**Alijah Castle, Kindergarten, Hilton Elementary, Ms. Howe**

I have many friends so it's going to be hard to pick one to write about. I guess I'll write about Seth. I met him playing baseball and we started hanging out. We have been playing sports together since first grade. I have many other friends so picking one was hard.

**Morgan Graham, 6th, Jonesville Middle, Mrs. Jones**

My friend Jacob is the best friend I could ask for. We have each other when we need a friend. Most of the time, he comes over to my house and we will play outside or play some PlayStation or Xbox.
